Product Overview

Composition (per softgel):

Rose Hip Extract

250 mg

Collagen Peptide Type II

40 mg

Sodium Hyaluronate

30 mg

Vitamin C

35 mg

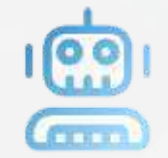

Chondroitin Sulphate

200 mg

Key Features:

- Multi-targeted support for **cartilage health & joint lubrication**
- Relieves **pain, stiffness & inflammation** in osteoarthritis
- Enhances **shock absorption & mobility**
- Safe for long-term joint care

Mechanism of Action

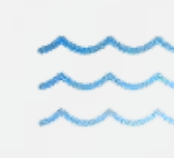

Rose Hip Extract

Anti-inflammatory & antioxidant properties reduce joint pain & stiffness

Collagen Type-II

Provides structural protein to maintain cartilage integrity

Sodium Hyaluronate

Restores synovial fluid viscosity to improve joint lubrication

Chondroitin Sulphate

Prevents cartilage degradation & promotes elasticity & cushioning

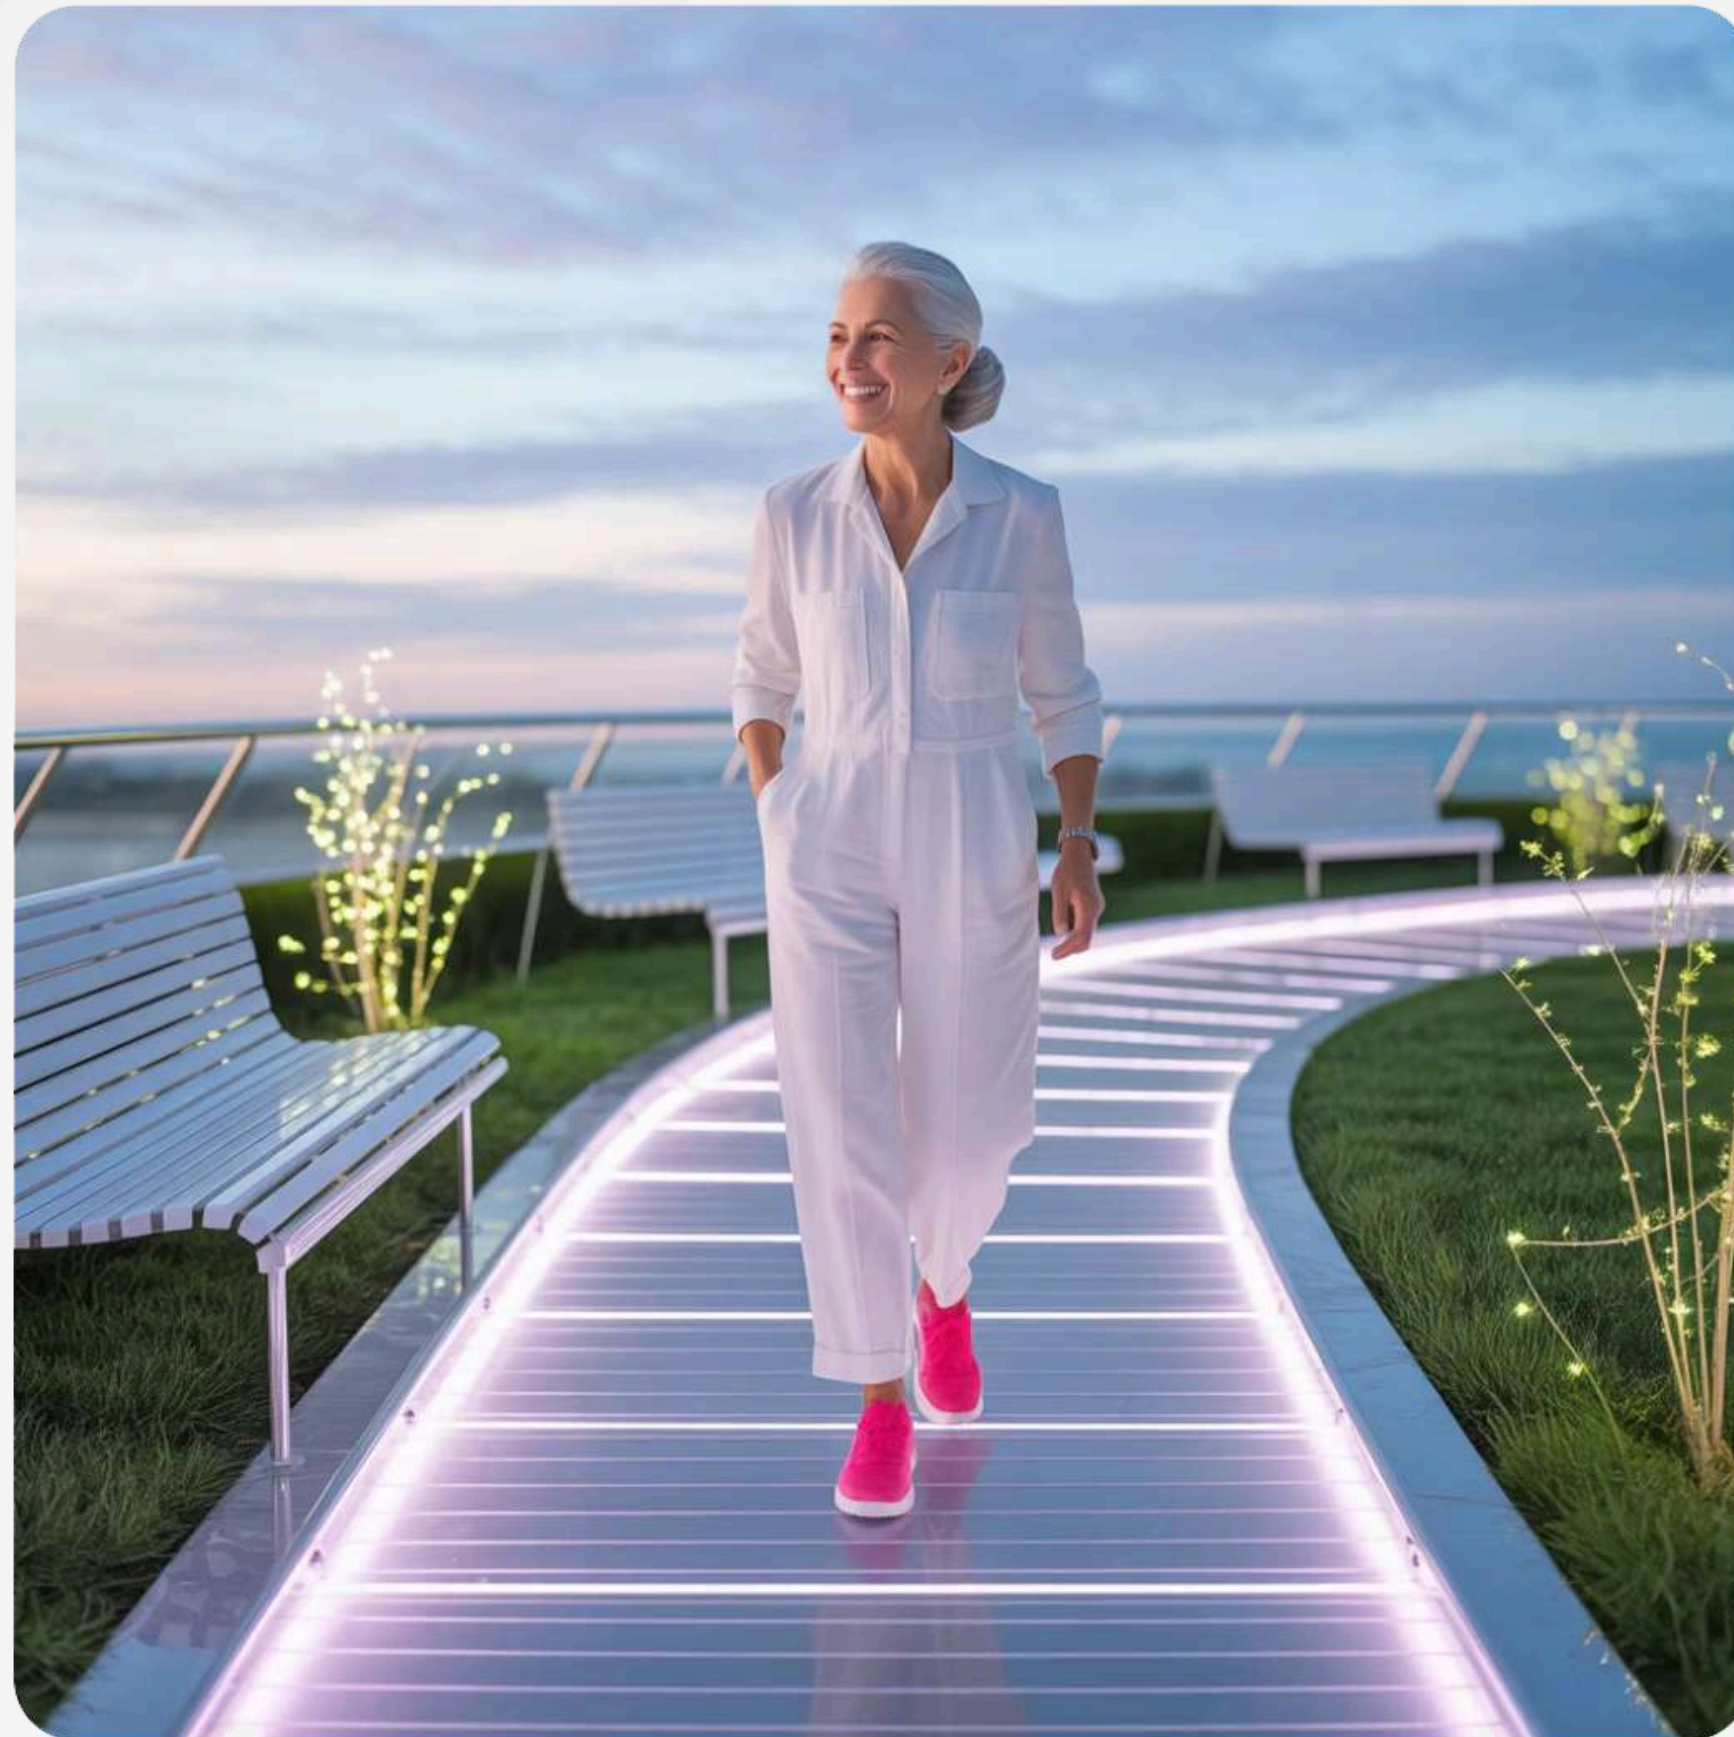

Vitamin C

Boosts collagen synthesis & protects against oxidative damage

✔ **Result:** Pain relief + cartilage protection + improved joint function

Indications (Ortho Focused)

Tendospeed-Ultra is recommended for:

- Osteoarthritis**
Knee, hip, shoulder conditions
- Rheumatoid Arthritis**
As supportive therapy
- Post-traumatic Degeneration**
Post-surgical cartilage recovery
- Sports-related Wear**
Joint wear & tear from athletics
- Early Intervention**
Patients at risk of joint damage
- Chronic Stiffness**
Reduced mobility conditions

Clinical Advantages

Key Benefits of Tendospeed-Ultra:

5-in-1 Joint Restorative Formula

Comprehensive multi-ingredient approach for complete joint care

Pain Relief & Cartilage Protection

Dual action targeting both symptoms and underlying joint health

Joint Lubrication & Mobility

Restores natural joint function and range of motion

Delays Osteoarthritis Progression

Prevents further cartilage degeneration over time

Safe for Elderly Patients

Suitable for chronic orthopaedic patients requiring long-term care
